Transport policies vs industry relocation

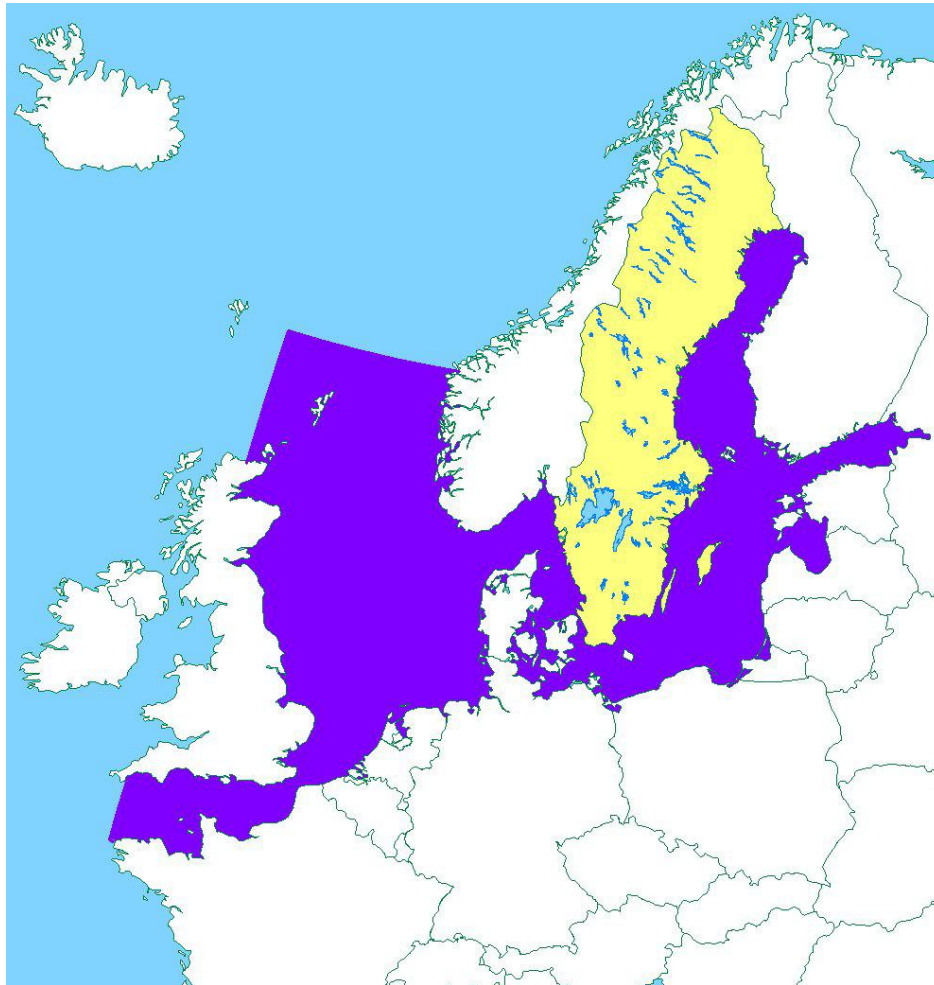

ESPO, Gothenburg May 2014

Per Bondemark

Sweden is an export nation facing challenges!

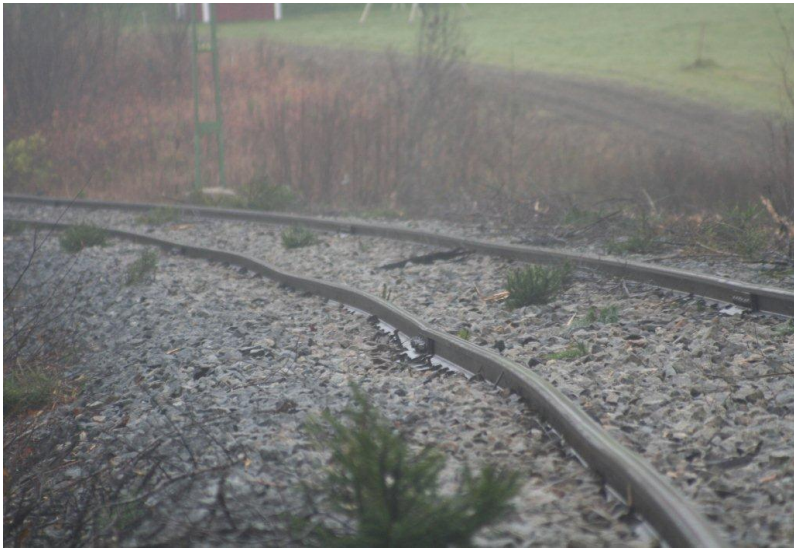

Severe impact of the sulphur directive

■ SECA area

Maintenance problems on the railways

High capacity utilisation on the railways

Figur 8.1: Kapacitet JA 2030 dygn

Källa: Trafikverkets
Kapacitetsutredning

Slow steaming EU decisions on heavy trucks

So, yes transport policies may lead to relocation of industry!
